

NEWS FROM ROOM ONE.

Room's One and Two are very lucky to be having our classrooms renovated this term. This has meant a bit of upheaval and a shift into the breakfast club for Room 2 and the library for Room 1. However, Room 1 are enjoying their cosy, temporary space, and in particular the fabulous selection of reading resources we have on hand all day long.

This week on Thursday, after a sleepover at school on Wednesday night, Room One are lucky enough to be heading to Whangarei for an exciting day outside of the classroom (library) at Adventure Forest with Room Two. This will be followed next Thursday, with a trip to Lake Manuawai where the senior students will have the opportunity to have a go at sailing, kayaking and paddle boarding. Thank you to all the parents for returning permission slips promptly, and for the many volunteers of parent support on the two trips. It was greatly appreciated, and I am sure the children will learn a lot about themselves and their peers over the next two weeks, and have a ball in the process.
