

News from Room 2

A busy couple of weeks for Room 2 as we get used to our temporary classroom/kitchen. We have been seeing it as a benefit more than anything... from milo making and fruit eating, to toastie creating and instruction writing, we are having lots of fun in our new classroom.

We had the most amazing time at the Whangarei Adventure Forest last week. Some of us conquered our fear of heights, others challenged themselves... scaring Miss Lawson and Mrs Campbell with their courage!

We had such a blast and can't wait for our trip to Lake Manuwai on Thursday for some action-packed, water entertainment.
