Term 1

Week 10

Hello,

I know that our newsletters have been dominated with news of property work this term but we are almost there!

The new shade sail for the senior playground will be installed tomorrow and will complete that project.

Work on Rooms 1 and 2 continues and will be completed early in the next holidays so that Miss Campbell and Miss Lawson can move back into their rooms and so that we can get the library and breakfast club rooms back!

The front entranceway project is almost finished too with only the deck structure and some remedial work to be completed during the holidays.

Mr Pearson has been busy edging and weeding and a whole host of other things and he plans to be very busy over the holidays tidying up the new lawn outside the junior block amongst other things.

And, our friends at Libelle are currently installing the kitchen in our hall that will service the local schools when Healthy and Free School Lunches begin in the new term.

It is always exciting to see the school property improved but also very exciting to look forward to when it is all complete and we can get back to life as normal at Kaeo School!

Kind Regards
Paul Barker

Students of the Week

No Students of the Week last week due to Easter so instead here is a lovely picture of Tracey-Jaye, Sonny and Kauri with the yummy Hot Cross Buns so kindly provided to us by Julie and Steve at Pure Bakery – Thanks you two!

Free Healthy School Lunches:

The lunches will be starting full time from the beginning of Term 2. We expect to be able to send a final menu home before the holidays. School lunches are not compulsory but only school lunches will be provided at school so if you decide that you wish for your child to bring their own lunch then feel free to do so.

The Free and Healthy School Lunch programme has several goals and we would ask two things of parents that wish their children to bring their own lunches. Firstly, that what comes to school meets the definition of 'healthy' and secondly that all 'rubbish' (wrappers and the like) are kept to a minimum and taken home for disposal as we work to reduce the amount of rubbish at school.

Parent Teacher Meetings

Given all of the building work and disruption around school we have decided to postpone Parent/Teacher interviews until the first week of the new term. There will be a teacher only day on Thursday the 6th of May and interviews will be scheduled across that day. Booking forms will be sent home in the coming days.

Dates for your diary:

8 th April	Rooms 1 & 2 Sailing
12 th April	BOT Meeting
15 April	School ANZAC Day Event
16 th April	Term Ends <u>1pm</u>
