

Room 4 – Newsletter

Week 1 – Term 2

During Term 1, we completed a learning unit around 'Minibeasts'. We looked at insects, their characteristics and life cycle.

During writing, we learned how to write a factual report. Using our knowledge of insects and butterflies, we wrote a report which we published.

After reading 'The Very Hungry Caterpillar', we created a vivid and dye butterfly and caterpillar, which we used to decorate our factual report.
