Term 2

Week 4

Hello,

Welcome to Week 4. The Term is flying through very quickly. In all areas of the school, children, teachers, and support staff are working hard with their teaching and learning, especially around the Topic of 'Planet Earth & Beyond'.

Membership of the PTA had declined to the point that meetings were almost exclusively teachers and staff and so at the last meeting on 17th May, it was decided to dissolve the PTA. The PTA has recently made a \$14,000.00 donation to the school towards the new Shade Sails, this left \$900.00 in the PTA account which will also be donated to the school and will be used to assist in the purchase of new stackable chairs for the hall.

The dissolution of the PTA doesn't mean that parents cannot be involved in supporting the school and we will, in the lead up to events, seek support from parents as and when required. A big thanks to everyone that has contributed to the PTA over the years.

Kind Regards
Debbie Hancock

Pink Shirt Day:

We had an extremely successful Pink Shirt Day last Friday, with lots of children and teachers wearing pink to support anti-bullying.

Room 2, delivered a very polished presentation about anti-bullying, what bullying is about, and how to stop it happening.

We raised \$128.20 on the day for the charity, so well done everyone who was involved in making it a very successful day.

Dates for your diary:

27 th May	Mahuika Production Visit
7 th June	Queen's Birthday Holiday
21 st June	BOT Meeting
1 st July	Cross Country at Totara North
8 th July	Term 2 Ends

Students of the Week

There was no student of the week for Week 3, as Starlab was taking place in the hall.

Kerikeri Guide Club

"Give it a Go Day" – Sunday 6th June 9am-3pm
@ Lonsdale Park, 208 Matauri Bay Road, Kaeo

- Koha Donation Entry
- Sausage Sizzle, Cake Stall, Mobile Coffee, Craft Tables, Flying Fox, Bouncy Castle and more...
- Parental Supervision Required

Starlab:

Last Friday, the children took part in a presentation by a company called Starlab. This activity was organised to consolidate children's learning about Planet Earth and Beyond, which is this term's learning focus. Children went into the inflatable dome where they could experience the night sky, the planets, and stars.

Rippa Rugby:

Last week, Rachel from Sport Northland came and ran some games of rippa rugby. She taught the children rippa skills and techniques. These ongoing sessions help the children to improve their game and consolidate previously learnt skills.

Emergency Contact Details:

We are finding that a number of contact details, emails and phone numbers for parents and caregivers are either not available or disconnected. Please let the office know if your details have changed, so that in case of an emergency we will be able to contact you quickly.
