

# Kaeo Pre-School

Kaeo Pre-School has sessions every week on a Thursday from 9am - 11am in the breakfast club room.

We do activities including cutting and pasting, alphabet activities, painting, playdough, face painting, games and puzzles.

We go to the library and your child gets a free book bag and can take home books to read for the week. They also take home a pack with a learning activity to do at home.

Bring your pre-school aged child along with some morning tea for 2 hours of fun.
