

# Kaeo School at Home

Hi everyone :-) I hope you are enjoying the week. Thank you to those of you that sent me pictures of the work you did on Monday and Tuesday. Please keep it up and don't be shy to ask lots of questions. Have fun Room 1 and stay safe.

## Read the story Kidnapped to Planet G.

(<https://www.storyberries.com/bedtime-stories-kidnapped-to-planet-g-by-jade-maitre-stories-for-kids/>)

Choose one of the following responses:

- \* Retell the story in your own words.
- \* Write a different ending.
- \* Write a letter to the main character Archie.
- \* Draw a picture of the rocket.

All children eventually got a super power, usually before they turned 10. However, David was the only child in his class that still hadn't developed his powers. The others stood there, looking scornfully at him. With his head hanging David felt...

**Finish this story.**

**And don't forget...**

Use CUPS and ARMS to edit and recraft this tomorrow. Use the 3 coloured markers.

ai	ow	ie
ay	oa	y

There are six spelling patterns above. Two each for the long 'a' 'i' or 'o' sound. How many words can you find using the spelling patterns above for the 3 long vowel sounds.

**Just for Fun** (-: Make a word snake by starting a new word with the last letter of the word before it.

Start with the word **'Power'**

Following on with the toilet paper themed questions in your activity pack, answer the following question and explain how you got your answer.

New World had 60 rolls of toilet paper left. Countdown had three quarters of that amount. Would there be enough toilet paper in both stores for 100 people to have a roll each?

What if New World sold two quarters of their rolls Countdown sold a third of theirs? How many rolls would be left in the two stores?

Use one of the links below to draw a cicada, stag beetle, praying mantis, or ant (or all).
