

# Kaeo School at Home

Hi from Miss Campbell 😊

How are you all? I hope you are enjoying some extra time at home with your families, and fingers crossed that we aren't in Level 4 for too long. Here are your activities for the next two days—remember it is ok to get mum and dad to help you. You don't have to but you can email me, [stephanie.campbell@kaeo.school.nz](mailto:stephanie.campbell@kaeo.school.nz) when you have finished an activity, or if you like, post pictures of your work on our new Facebook Page. Don't forget to keep practising your lines and the songs for our production. The activities I have chosen will hopefully remind you to practise. Stay safe, Miss Campbell

**Use words from the box below to fill in the missing lyrics to a song featured in the movie.**

I'm gonna be a \_\_\_\_\_ king so \_\_\_\_\_ beware.  
I've never seen the king of \_\_\_\_\_ with quite so \_\_\_\_\_ hair  
I'm gonna be the \_\_\_\_\_ event like no \_\_\_\_\_ was before  
I'm \_\_\_\_\_ up on looking \_\_\_\_\_. I'm working on my \_\_\_\_\_  
Thus far a rather \_\_\_\_\_ thing. Oh I just can't wait to be king.  
Everybody look \_\_\_\_\_, everybody look \_\_\_\_\_, Everybody look I'm standing in the \_\_\_\_\_.  
Let every \_\_\_\_\_ go for broke and sing  
Let's hear it in the \_\_\_\_\_ and on the \_\_\_\_\_.  
It's gonna be King \_\_\_\_\_ finest fling. Oh I just can't \_\_\_\_\_ to be king.

*King left creature right roar enemies brushing down wait herd wing  
Simba's beasts uninspiring spotlight mane little mighty*

Investigate this maths problem—remember there are lots of ways to solve it!

Here are three ways to make one (whole) with halves, thirds, quarters and sixths of a circle.

How might these ways to make one be recorded as equations or expressions?

What other ways to make one can you find just using halves, thirds, quarters and sixths?

Can you prove you have found all the possible ways?

Imagine you are Simba after his uncle Scar has told him to leave. Write a paragraph of what happens to you next, remembering to 'show it' and not 'tell it'.

Unscramble the words from The Lion King above.

Log into your stepsweb account and try to do a set a day.

Choose three different creatures from the lion king. Compare them to each other using a venn diagram like the one shown—think about their bodies, what they eat, how they live.

You could do this using what you already know, or you could spend some time researching your chosen animals to gather more information first.
