

Kaeo School at Home

Kia ora all,

I hope you have enjoyed your first activity sheet! The Paralympics start this week and what good timing too. With us all being at home we can really make the most of it and see these amazing people in action. I love the Paralympics. Watching these athletes in action is inspiring and often unbelievable! To celebrate these athletes our activities are all based around the Paralympics. If you whizz through them click on the link below for some extra Paralympic activities. On another note I have really enjoyed seeing student's work this week, keep it up!

Remember you can contact me via my email; desa.harris@kaeo.school.nz

Thanks,

Dessa Harris

Reading Fun and Games

Visit this website and read about the Paralympics. Afterwards write down and answer the questions below. <https://kids.britannica.com/kids/article/Paralympic-Games/599583>

- *What kinds of sports will you see in the Paralympics? *What does Paralympics mean?
- *What kind of disabilities do Paralympians have? *What are the goals of The International Paralympic Committee?
- *Why do think it's important we have a Paralympics? *When and where were the first Paralympics held?

Brain Teaser

Show your working step by step as you solve this problem

There are 29 Para athletes and 37 support staff from NZ going to Tokyo for the games. How many people are going altogether? What if this number doubled, what would the total be then?

Extra EXTRA Tricky : Repeat this question but change the numbers to 129 and 137.

Report writing

Watch a Paralympic event of your choice. Take some notes about this event. How many athletes are there? What do they have to do first, next, last? Who was the best and why did they win?

Then write a short report about this event and the athletes involved. Watch the short video below to help you understand how to write a report.

<https://www.youtube.com/watch?v=qfuWM897mjl>

Spelling

Make a list of countries from around the world that will be involved in the Paralympics. See how many countries you can think of in 10 minutes. Get an adult to check your words. The ones you get incorrect will be your spelling words for the next few days.

Investigation

Create your own Paralympic flag. Research and discover the 4 values of the Paralympics. Next design a flag to represent these values.

Your flag must

- *Be able to survive outside for 24 hours *Be seen from 10 big steps away * Be the same size as your face
- *Be able to be waved quickly without breaking * Have 4 different shapes in it
