

Hello Room 4, from Mrs Hancock – Number 2

Welcome to page 2 of this week's home learning. As we do at school, we will keep the same spelling words for this week and continue to learn the sound of the week. I have put in another sound worksheet for you to complete. Have fun! Feel free to email (debbie.hancock@kaeo.school.nz) me at anytime, and if you would like to, share some of your learning, or let me know what you have been up to.

I have signed us all up for Class Dojo, if you would like to know your log in and password, email me and I will let you know.

Here are some other places you can go to help you with your learning.

1. Mystery Doug – What is the deepest hole anyone has ever dug? <https://mysterydoug.com/mysteries/deepest-hole?loc=mini-lesson-button#slide-id-12094>

Read the story 'The Very Hungry Caterpillar – by Eric Carle'.

<https://www.youtube.com/watch?v=75NQK-Sm1YY> Or by reading it on the sheet at the bottom of this page.

After you have read the story, complete the tasks below:

1. As you are reading, make a list of all the foods the caterpillar eats and on what day he eats them. You can use the word card below to help you.
2. Make a new list and put in the foods YOU would like to eat on those days.

Picnic Time

You are going on a picnic with some of your friends.

1. You need to make a shopping list of all the food and drink you would like to take on your picnic.
2. Write another list of all the other things you will need to take eg plates, cups, rug
3. Design an invitation to email or send to your friends, remember the date, time and place.

Ice Creams!

The Sloppy Ice Cream Dairy has four flavours of ice cream. How many different cones can you buy that have two different flavours side by side in the cone?

Draw your favourite combination of ice cream.

Skip counting in 2's forwards and backwards up to 100

- Use the 100's board to help you skip count in 2's. Colour in the skip counting numbers as you count
- What patterns do you notice? By the end of next week, skip count without using the 10's board to help you

Exercise Time!

- Mountain Climbers
Get into a push-up position and then alternate bringing your knee to your elbow. You can do same side connections or crisscross. The idea is to move fast and work up a sweat! – Let me know how many you can do in 30 seconds and I will try and beat you!
- Bear Crawls
Palms and feet flat on the floor, arch your back so that you look like a mother bear. Race across the room. Add some fun by having a competition! Who can "roar" the loudest?

The Very Hungry Caterpillar

Written Eric Carle

In the light of the moon a little egg lay on a leaf.

He started to look for some food.

On Monday he ate through one apple. But he was still hungry.

On Tuesday he ate through two pears. But he was still hungry.

On Wednesday he ate through three plums, but he was still hungry.

On Thursday he ate through four strawberries, but he was still hungry.

On Friday he ate through five oranges, but he was still hungry.

That night it has a big stomach ache!

The next day is Sunday and the caterpillar eats a nice green leaf. After, it feels better again.

Now he wasn't hungry anymore - and he wasn't a little caterpillar anymore.

He was a big, fat caterpillar.

He built a small house, called a cocoon, around himself. He stayed inside for more than two weeks.

Then he nibbled a hole in the cocoon, pushed his way out and... he was a beautiful butterfly!
