

# Kaeo School at Home

Hi from Mrs Carter!

Here is your plan for today. Some things are easy for you to do and some may be a little more difficult. It's ok to get Mum or Dad to help you—they may enjoy it! Your job is to work on the tasks over the next two days, your parents job is to help you out and to check that you understood the activity and that you completed it. You don't have to but you can email me, [natalie.carter@kaeo.school.nz](mailto:natalie.carter@kaeo.school.nz) or post in your CLASS DOJO portfolio when you have finished an activity, or if you like, post pictures of your work on our Facebook Page. Stay Safe, Mrs Carter.

**Scavenger Hunt** In the story, can you find: 2 words that rhyme, a part of the story that makes you smile, the punctuation used when someone is talking, a colour, a characters name, an 11-letter word, a body part, a word that is opposite to strong, an adjective (describing word), 3 words that have the 'ed' ending.

Remember to keep reading (books, recipes, instructions, games) and adding to your Reading Log each day you read. Login to Reading Eggs if you wish, email or message me on Class Dojo if you need your username/password.

Investigate this maths problem—remember there are lots of ways to solve it!

Karl went out bird watching and spotted some Tui in the forest. He saw 12 tui in the trees and 13 on the ground. How many Tui did Karl see altogether that day?

Which strategy did you use? Counting on (from the largest number)? Using doubles? Or something else?

Write down how you worked out your answer and then explain it to someone in your house.

Practise addition doubles to 20 (e.g.  $4+4=8$ ,  $8+8=16$ ,  $11+11=22$ ,  $16+16=32$ )

Write a letter to tell me what you have been up to in the last week. Start by using the words To Mrs Carter and finish your letter by writing From (your name). Remember to include:

- Who is in your bubble at home?
- What activities, jobs, games, have you been doing?
- How are you feeling about being in lockdown at your place?

Here is your spelling list for this week—your goal is to be able to correctly spell each word by the end of the week.

**Turtles & Seahorse Groups:** they, went, then, when, there, you, she, all, are, said

**Dolphins & Starfish Groups:** opened, minutes, suddenly, lunch, ready, right, sister, turned, decided, water

Practice spelling your words aloud as you **star jump** – one jump for each letter.

Find a comfortable spot either by a window or outside. Sit quietly and record the names of all of the birds, bugs, and animals that you see in one hour.

Make a tally chart like the one below and record your findings.

ANIMAL	TALLY	TOTAL
CAT		4
DOG		8
RABBIT		4

What do you see the most/least of? Do you have any tui around your house?
