

Kaeo School at Home

Room 6

Number 2 Date 25 August 2021

Hi from Mrs Goscomb,

How are you? I wasn't too surprised to hear that we are now in lockdown until Friday so here are some more goals for you to try to complete. Please get Mum or Family to explain the activities to you. Remember to be kind when working, have fun and remember to say a special "Thank you" to your helper for helping you. You can email me, christine.goscomb@kaeo.school.nz if you want to or if you like, post pictures of your work on our new Facebook Page. Be kind and Stay Safe, Mrs Goscomb.

READ

Read the story "Be Brave Little Penguin" on <https://www.youtube.com/watch?v=f4TnDma78Oo>

After you have read the story try completing these activities.

- 1.) Discuss all of the characters in the story. Talk about the things that the penguin and the other animals were afraid of and how they helped each other to overcome their fears. Talk about what you feel confident about and what you are afraid of. Remember we are all here to help and support each other.
- 2) Draw a picture of penguin or make a model of one using things that you can find.

If you can please find time to try the new Reading Eggs on line Programme, remember to email me for the login and password before you start.

For writing I would like you to write a poem about what you like to see in your bubble.

Title **In my Bubble I Like to See**

Start each line with the key words **I like to see** and then add more detail e.g.

I like to see the golden daffodils, growing beside the drive.

I like to see my cat Jack, sleeping on the chair.

I like to see Rodney smile at me when we work in the garden.

Developing your number sense. "**Magic Number Six**".

Find as many ways as you can to show the number 6; e.g. collect sets of 6, get 6 shoes, write the number 6, spell the word six, do a tally for 6, draw a ladybug with 6 legs. Write as many equations for 6 as you can e.g. $3 + 3 = 6$ $8 - 2 = 6$. If you had 6 eggs and shared them equally between 3 people how many would they get each?

Get fit with 6 make up a routine to do e.g. 6 press-ups, 6 star jumps, 6 claps, 6 hops, and repeat 6 times!

Sing along to Let's get Fit count to 100 at <https://www.youtube.com/watch?v=0TgLf3PMOc>

As I look around my garden I see that the spring flowers have started to blossom. For spelling I would like you to draw some pretty flowers and write a 2 letter word on each petal. I wonder how many flowers you can make to grow in the 2 letter word garden? I would love to see your pictures.

Supporting Daffodil Day. Every year The Cancer Society have a special Day for people to show their support to families who are affected by Cancer. It is Daffodil Day this Friday. It would be great if we could show our support by dressing up in yellow on Friday and showing any baking that you have done which is yellow, or sharing any pictures of daffodils that you have made.

It would be lovely if you could take a photo to share with me by email or post on line on Friday.
