

# Kaeo School at Home

Room 6

Number 4 Date 1 September 2021

Hi from Mrs Goscomb,

How are you? I hope that you and your families are keeping well. It is good news that we can see our way to moving out of Level 4 and into Level 3. I am excited that you will be receiving your Home packs this week. I enjoyed putting the packs together and know that you will be keen to open them. Take time to explore the packs and keep the items in a safe place. You can email me, [christine.goscomb@kaeo.school.nz](mailto:christine.goscomb@kaeo.school.nz) if you want to or if you like, post pictures of your work on our new Facebook Page. Be kind and Stay Safe, Mrs Goscomb.

Read the story "My Nana and Me" by Irene Smalls <https://www.youtube.com/watch?v=oyiB-54Rqo8>

After you have read the story try completing these activities.

- 1.) Talk about all of the things that you like to do with your Nana
- 2) Try to get in touch with your Nana if she is not in your bubble; Skype her, email her, phone her up, make her a card or write her a letter. Think of all the things you would like to do with your Nana after lockdown.

This week our special letter is N. I would like you to write down all of the **names** of the people in your bubble. Find out who has the longest name, who has the shortest name. For each name count how many short letters you see, how many tall letters and how many hanging letters you can find. Write the names out in your best writing using a different colour for each person, choose a colour that you think best suits them as a person. Maybe make a big rainbow and write the names of the people in your bubble onto the rainbow, one for each colour. Draw a picture of the people under the rainbow.

**"Magic Number Nine"**. Find as many ways as you can to show the number 9 e.g. collect sets of 9, write the number 9, spell the word nine, do a tally for 9. Use your playing cards to find ways to make 9 e.g. 4 and 5, 7 and 2,  $2+3+4=9$ . Write the equation for each group of cards you put together to make 9.

If you had 9 lollies and shared them equally between 3 people how many would they get each?

**Get fit with 9** make up a routine to do e.g. 9 press-ups, 9 star jumps, 9 claps, 9 hops, and repeat 9 times!

Watch See It, Say It, Sign It Letter sounds by Jack Hartmann

<https://www.youtube.com/watch?v=WP1bIVh1ZQM>

I loved seeing all of the photos online when we dressed in yellow for Daffodil Day. Thanks to everyone for making an effort. Your challenge today is to make as many words as you can using the letters in Beautiful Daffodil Day Photos.

Sunday is going to be a special day when we celebrate Father's Day.

Read the story, How to Surprise a Dad by Jean Reagon —

<https://www.youtube.com/watch?v=Oa6YnusWc4M>

Think of some fun ways you can show Dad, or Papa, or any Father figure you have, just how much you care for him and how special he is. Make a card, play some games, do some cooking for him, read him a story, or sing some songs together.
