

Kaeo School at Home

Hi from Mrs Molesworth,

Here is your plan for today. I hope you are all well and happy. I have been working in my vege garden and I found some seeds in my cupboard and have planted them in a tray, just like we did at the beginning of this year. My Billy cat is loving me being at home but he has decided he likes Mr Molesworth chair and seems to sleep there all day! Mr Molesworth has to sit on the sofa!

Share another book with someone in your whanau, maybe one of your Duffy books or one online. This time talk about the pictures first and make a guess what you think will happen in the story. Talk about what the characters are feeling in the book and why. Maybe you could start making a list of the books you have shared and show it to the class when we get back to school.

Today you are going to make Pete the Cats four groovy buttons! Trace around something round like a jar and then cut them out. In the first button I want you to draw 1 square shape. In the second button I want you to draw 2 circles. In the third button I want you to draw 3 triangles. In the fourth button I want you to draw 4 stars. You can colour your shapes in if you want to and you can colour in your buttons too.

Draw a picture of something you did with your whanau. Think about all the details you will put in your drawing. What will be big, what will be small? Think about the colours you will use. Remember people have arms and legs, feet and faces. If you are drawing an animal try to work on size and shape. Get someone to write your story and you can copy it. Remember finger spaces and a full stop at the end. Only put an uppercase capital letter at the start and for names.

You are learning letter formation, size and shape. I want you to practice the letters Cc and Dd. Remember when you make a lowercase d, you start the same way as a lowercase c.

For your Art I want you to draw your own magic sunglasses like Pete the Cats. You could make them out of cardboard and get an adult to cut them out for you. If you have some beads or buttons or sparkly paper you could decorate them and bring them to share with the class when we get back to school. Make them groovy and colourful and think about a cool shape! Have fun and keep practicing our Pete the Cat production moves! Maybe teach them to your whanau and do them together. You can find the story and music on youtube. Love Mrs M.
