

# Kaeo School at home

Hello everyone

The teacher aides have thought of a few activities to help keep you busy during this time.

Mrs Martin has made you a winter word find. Can you find the hidden sentence?

Added search for the sentence in the remaining letters.

Sharlene thought it might be a great time for everyone to set some goals and make a springtime bucket list. She also found a daffodil for you to colour in and one for you to try and make using a straw and some paper.

Rebekah has made a cool dot-2-dot for you to do and also has a fun activity for you to try .

## A Fun activity for all the Family!

It's as easy as stepping outside!

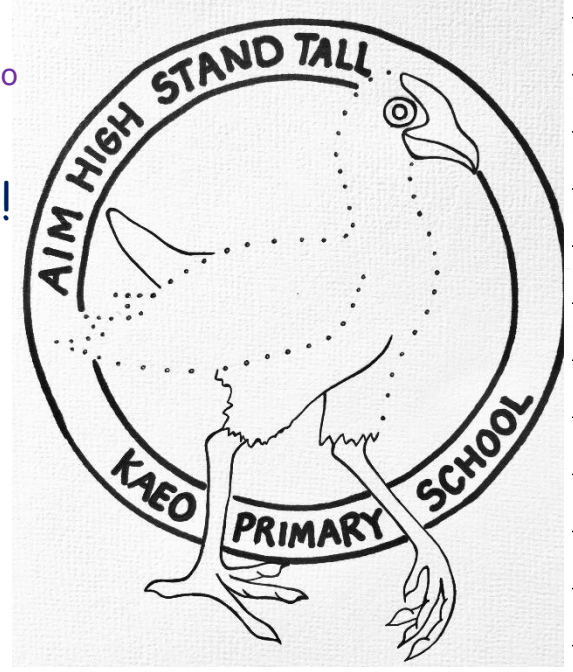

Or simply looking out the window up at the sky. Can you spot any shapes, letters or numbers in the clouds outside?

If so, take a picture so we can see, or write them down.

You may see more than just one.

Who knows what you will see!

What can you see below??

Sarah thought it could be fun to get outside in your garden and go for a mini beast hunt. Let's see how many of these creepy crawlies are at your house. After your adventure looking for mini beasts there is a maths cross word puzzle for you to have a go with and some dice games.

## Minibeast Spotting

**Keep your eyes open!**  
Which minibeasts have you seen? (tick the circles)

ladybird  butterfly  spider  beetle   
 ant  fly  worm  wasp  bee   
 grasshopper  slug  dragonfly  snail  newt   
 snake  centipede  frog  woodlouse

When you play roll a monster you can start with any body shape of your choice, maybe a circle or square or even a triangle. I can't wait to see or the different monsters you can create.

### Roll a Dice, do the action

●	<b>Run in place</b>
● ●	<b>Jump two times</b>
● ● ●	<b>Turn three circles</b>
● ● ● ●	<b>Do four star jumps</b>
● ● ● ● ●	<b>Clap five times</b>
● ● ● ● ● ●	<b>Count to six</b>

## roll a MONSTER
