

# News from Room 6

Kia ora koutou. We have had a few changes this Term. **Congratulations to Holly, Harli, Adira and Tobias who have been promoted to Room 5; we will miss you,** and a big welcome to Sid, Alice, Rebekah and Piper who have moved up from Room 7 and settled in so nicely.

Last Term we studied about The Earth, The Moon and The Sun. We know the winter will not last forever and soon it will be spring. Here are some Day and Night pictures and one of The Sun made using only hot colours by some budding young artists; Jayden, Hohepa and Amber.

I was very proud of how well all the children participated in the Spelling Bee last week. Amber was our shining star reaching first place for Year 1. Well done Amber. Regular practise really does make a difference. I will be sending home spelling words each Monday for you to work on.

Winter is a good time of year to be working on our production with Room 5. We enjoy getting together and working as a larger group. The title for our show is **Walking through the Woods**. We have started to learn the songs and now know most of the roles that we will be playing. We hope you have fun finding the names of some of the animals, the birds and other characters that are in our play.
