**Week 3**

Hello,

A big thanks to our friends from the Waipapa Rotary Club for again supporting our local schools through the annual speech contest.

It was a very enjoyable night and all of the children spoke very well. Congratulations to Layana-Lee and Maia T who were the winners of their age groups. Maia also took out the award for the most inspirational speech for her talk entitled 'Why we should stop killing spiders'. Well done too to Sunny, Mia and Malika who all placed third and a special mention to past pupil Jodacey who represented Totara North School beautifully.

Thanks too to everyone that took the time to come and support the children – it was a capacity crowd on a cold evening!

Kind regards,

Paul Barker.
