

Kaeo School at Home

Hi everyone :-) Our first Monday at Level 3. Fingers crossed that level 2 won't be far away. Please send me pictures of the mahi you do this week, and pictures of any fun things you and your family do. I have 2 masks left to make this week, I will put pictures up when they are done. Have fun Room 1 and stay safe.

Choose your own story from Storyberries.

Listen to it, read along & read by yourself.

Choose one of the following responses:

- * Retell the story in your own words.
- * Write a different ending.
- * Write a letter to the main character Archie.
- * Draw a picture of the rocket.

Tell this story, but find a way to show (not tell)..

- The character is
- separated from their family
 - frightened
 - caught in a storm
 - lost

And don't forget...

Use CUPS and ARMS to edit and recraft this tomorrow. Use the 3 coloured markers.

Here is a spelling game for 2 or more.

Roll the dice. Make a word using the long 'a' spelling pattern for the number you have rolled. If you can't make a word it is the next person's turn. Each word you make is worth the amount shown on the dice for the spelling pattern you are using. It has to make the long 'a' sound (as in the word play). For example 'seat' uses 'ea' but does not make the long 'a' sound you hear in play.

'a_e'

'ay'

'ai'

'ey'

'ea'

'aigh'

More work with fractions (but no toilet paper questions this week (-:

Pizza Place has three tables of the same size.

The Chicken N Chips bar has five of the same tables and can seat 30 people altogether.

How many people can Pizza Place seat?

One third of the seats at Chicken N Chips are empty and a half of the seats at Pizza Place are empty.

If 20 more people want to eat out, is there room for them at the two restaurants?

Get creative in the kitchen this week. Here are some challenges for you to choose from.

- Make bread of some description (there are lots of different breads from around the world)
- Make ice-cream (look up a simple shake-in-a-bag recipe)
- Make a fruit animal creation, then eat it (great practise for pet day next term)
- Make a dish that has only 3 ingredients (could be your own creation, or you might find a recipe online)
- Make and decorate a cup-cake (don't forget to take a picture)
- Make a sugar free desert (what other ingredients can you use to sweeten a desert other than sugar?)
- See if someone at home can share an old family recipe with you (I have a few special recipes of my mum's that I really treasure and remind me of her whenever I cook them)

Don't forget to make sure to get permission before starting any of these activities.
