

# News From Room Six

Kia ora koutou. Room Six are enjoying being back at school after the lock down. We like seeing and interacting with our friends and whanau at Kaeo School. We have been able to spend more time on Art recently and have two contrasting pieces of work to share with you. The first is the Tui picture in which we were focusing on colouring in very carefully and neatly and the second was creating our fun scribble cats inspired by some Room Four Art.
