Term 3

Week 7

Hello,

It is great to have Northland back at Covid Alert Level 2 and especially to return to school. Especially as everyone in our school and wider community has again escaped the worst health effects of the virus. School at Level 2 is largely as per normal. There will be additional cleaning and our larger gatherings such as assembly will be left until we reach Level 1.

The three main ways that parents/caregivers can support school right now are:

- Ensure that your children attend school but if they are unwell keep them home (any child that presents as unwell will need to be collected promptly from school)
- Please minimise your need to come to school unless it is absolutely necessary. Please contact school by phone where required.
- If you do come to school you are required to use the Covid Tracer App (preferred) or sign in. A QR Code is on the front door of the school.

During the next short while teachers and staff will be asked to not arrive at school before 7.30am and to leave school by no later than 4.30pm each day. If you need to contact us please do so within these hours.

Thank you everyone for your continued support of school during the Lock Down, it is appreciated, – as always we got there!

Kind regards,

Paul Barker.

Daffodil Day

Thanks to everyone that sent pictures of to our Kaeo School At Home Facebook page for Daffodil Day. Some of you went the extra mile to ensure that Mr Barker reached deep into his pocket! He was happy to – it is a great cause -and we sent off \$100 to support the Cancer Foundation.

Students of the Week

No Students of the Week this Week so instead congratulations to Mr Trevor Ashford who is this years Duffy Caught Being a Good Dad/Grandad Award recipient. Well done Trevor, well deserved!

Production

You will no doubt be aware that we have been working steadfastly towards our much loved whole school production.

Sadly, the Covid 19 outbreak has made it impossible for production to proceed this year. Valuable practicing and preparation time has been lost, and gathering rules mean that performances would not be able to have the audience that they deserve.

Importantly, we felt that any performance must be of a high standard and given the circumstances that this could not be guaranteed. Term 4 is very short this year and is already 'full' so moving production to a later date this year was simply impractical.

All is not lost and costuming and work building props and the like is an investment for next year when we plan to try again. We know that this is disappointing for everyone, we are disappointed too, but it is the only sensible solution to a difficult situation.

Dates for your diary:

27 September Board of Trustees Meeting
 1 October Term Ends, 1pm.
