Term 3

Week 8

Hello,

Thank you everyone for your support and understanding as we have returned to school. It is appreciated that having access to our normally open school being restricted at present feels odd but hopefully it will be only temporary and normal service will soon be resumed!

It has especially been tricky for parents of children new to school. The first day at school is an important milestone in a child's life and also for mums and dads. A special thank you then to our new families for their cooperation – we will get you into school just as soon as possible to meet your child's teacher.

Kind regards,

Paul Barker.

Covid 19

The vaccination team at the Rununga are doing a sterling job getting as many of us vaccinated as quickly as possible. A big THANKS to them for this very important work.

There will be some circumstances that mean that vaccination is not possible for some people but the best way to keep yourself, your whanau and the community safe from Covid 19 is to get the vaccination if you can.

Every indication is that those that have received two doses of the vaccination become extremely safe from the worst effects of Covid 19 and can avoid major illness and hospitalisation.

Additionally, it is especially important for those that may have a medical reason that precludes them being vaccinated (those with a compromised immune system for example) that those of us that can get the vaccination do so.

All indications are that once the country reaches its vaccination level goal then we will all be rewarded by the country 'opening up' again – we are all looking forward to that.

Students of the Week

No Students of the Week this Week so instead here is a picture of our two newest children, Harlem and AliB with Mrs Molesworth and Super Sharlene – welcome to Kaeo School you two!

Scholastic Book Club Orders

Book Club Orders made before lockdown are being held up a little because of the lockdown in Auckland. They are not forgotten and books will be delivered just as soon as they are able.

School Photos

School Photo ordering occurred just as we went into our Level 4 lockdown. If you didn't get your order sorted and still want to please get in touch with the office and we will send a further order envelope home so that you can order through the office or on-line. It is not too late!
