

# Kaeo School at Home

Welcome back to Home Learning Room 5, Week 3, Thursday and Friday

What a surprise to be back here doing learning from home to finish the week! I hope you are all safe and well in your bubbles with your families. Below are some learning activities to work on. Don't forget to share your learning with me, I'd love to see your efforts. Email me at natalie.carter@kaeo.school.nz or post in your CLASS DOJO portfolio when you have finished an activity, or if you like, post pictures of your work on our Kaeo School At Home Facebook Page. Remember to show kindness to those around you. Mrs Carter.

## READ

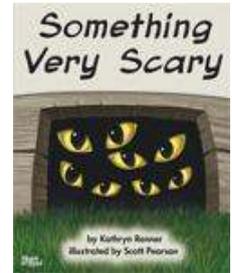

Our Big Book of the Week—'Something Very Scary' by Kathryn Renner

This week we've been reading the big book 'Something Very Scary'.

Click [here](#) to find the mp3 link to listen to the story again.

Draw up a chart with the headings: Problem, Attempts to fix the problem, and Resolution. Add summary sentences to describe each part of the story.

Problem	Attempts to fix the problem	Resolution

## 123

Place Value—Expanded Form:

Stretch these numbers out and write these numbers in expanded form. Think about what number is in the ones, tens and hundred place.

E.g.  $52 - 50 + 2 =$

$67 - 60 + 7 =$

$102 - 100 + 2 =$

$135 - 100 + 30 + 5 =$

A) 15    b) 28    c) 32    d) 57    e) 65

f) 79    g) 81    h) 92    i) 113    j) 147

Practise recalling bonds to 20. e.g.  $13 + 7 = 2 + 18 = 5 + 15 =$

Something Scary - Write about a scary time or something that you are scared about.

Make sure your story has:

- the problem (what were you scared about)
- what you did or thoughts you had
- what was the end result (how did you feel or what did you do)
- Descriptive words (e.g. terrifying, frightening, horrifying, creepy, spooky, scary, nervous)

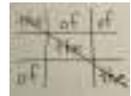

Here is your spelling list for the rest of the week:

**Turtles & Seahorse Groups:** you, they, then, there, she, had, got, that, so, me

**Dolphins & Starfish Groups:** 'ou' sound - bounce, mountain, mouth, south, round, house, out, count

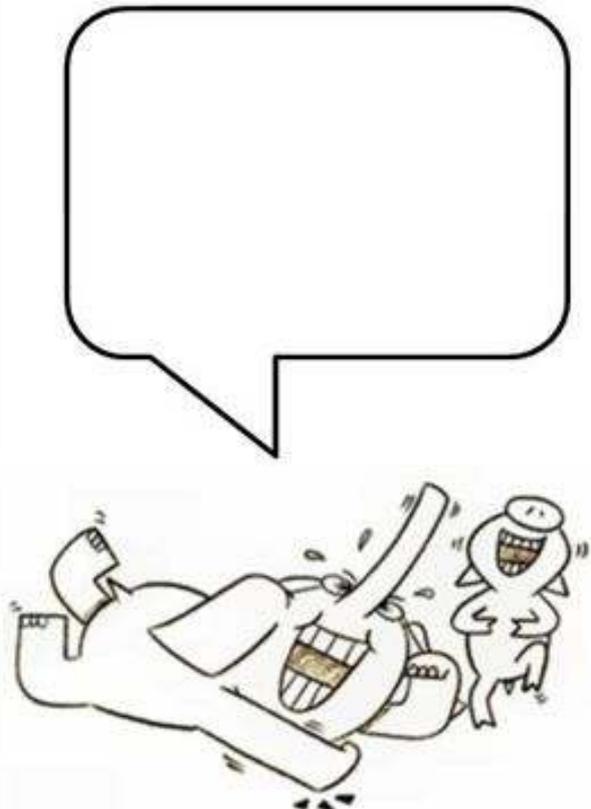

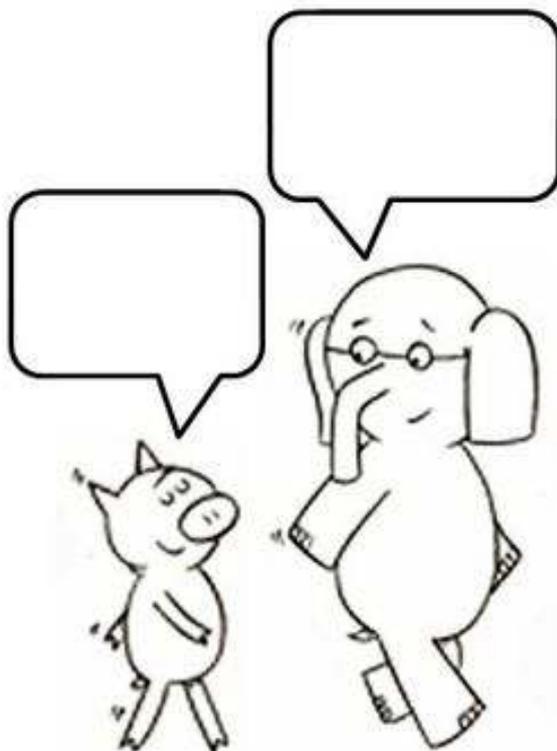

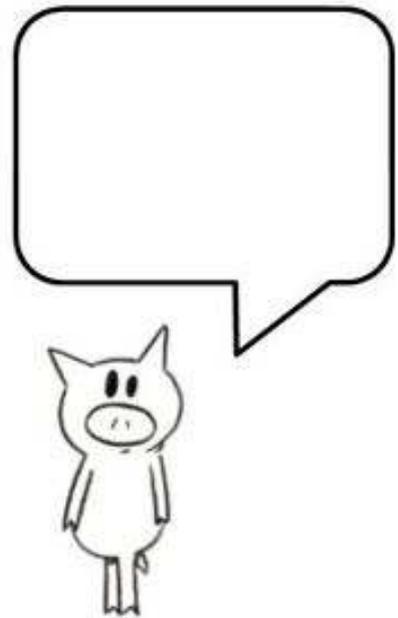

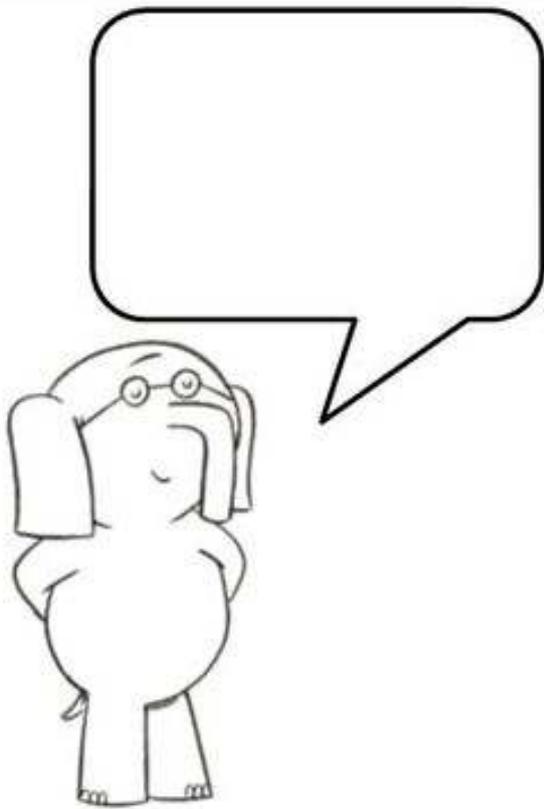

Play noughts and crosses by spelling your word inside each square on your turn

**Ball toss** - Use plastic cups or bowls and mark each one with a ty number (e.g. 20) or ones number (0-9). Gently toss 2-4 tennis balls (or small object like stones, lego bricks or paperclips) and see how many you get in. Add up your total score. Remember to add the tens and then the ones. Do it again and see if you can get a higher score, or get someone else to do it and compare scores.

# Color and Create Your Own Story with Elephant and Piggie from Mo Willems

# Reading Challenge

www.naturalbeachliving.com

Read under the covers

Read a book about horses
