Room 6

Number 7 Date 8th Nov 2021

Kia ora koutou,

How are you all? I hope that you have been keeping well and busy over the last few days. Here are some more goals for you to try to complete. Please get Mum or someone in your family to explain the activities to you. Remember to be kind when working, have fun and remember to say a special "Thank you" to your helper for helping you. You can email me, christine.goscomb@kaeo.school.nz if you want to or if you like, post pictures of your work on our new Facebook Page. Be kind and Stay Safe, Mrs Goscomb.

READ

Read a book in your home to or with your parents. You might like to choose one of your new Duffy books. Write the title of the book and the name of the author.

Draw a picture about the book. Take turns and ask each other questions about the book.

Use these key words e.g. **Who** was in the story? **What** happened in the story? **Where** did the story happen?

Who

What

Where

When

Why

Opposites For writing take time to think about things that you have been doing since you last at school. Choose something that you **liked** doing and something that you **didn't enjoy**. Draw a picture of each and write a caption to go with each picture explaining your thoughts.

Think of as many opposites as you can. Get your helper to write the words onto pieces of card, you will need 2 of each word, and then play pairs or memory with them.

E.g **hot and cold** , **soft and hard**, **exciting and boring**, **day and night**, **fast and slow**, **high and low**,

123

This week for Maths it would be good if you could work on **Money**. See if you can get one of each of the 5 coins that we have in New Zealand. Spend time looking at these and finding out what pictures are on each coin. Try taking some rubbings of the coins using paper and crayons.

How many ways can you find to make these amounts of money?

A) 20c? B) 50c? C) 1\$? D) \$10

Make time to practise your **alphabet**, you need to know the letter names and the sounds the letters make. sing **Jolly Songs** <https://www.youtube.com/watch?v=euxN7LGOoLc> or choose to work on your blends try <https://www.youtube.com/watch?v=RCCFqWV8S7E>

Choose 5 of the words below that start with o and try to learn them over the coming week. Ask your helper to write the words in your spelling notebook, work on them each day.

ox, of, off, on, oh, okay, oval, oven, open, offer, ostrich, octopus, ocean, owl, orange, often

Your challenge today is to do some follow up, after our visit from Jo, from St John. Talk about what we did when Jo came to visit us at school.

She told us that in an emergency we need to know our address and our phone number. Try to learn yours this week.

Do some role play with your family pretending that different emergencies are occurring.

What number do you need to ring? 1,1,1 who will you ask for?

The Ambulance, The Fire Service or The Police?
