**Term 1**

**Week 4**

Hello,

Welcome to Week 4 of Term 1.

There have been exciting things happening at Kaeo school both inside and outside the classroom. The children are well into routines in the classrooms, in the playground and around school in general. They are getting used to working outside the classroom and wearing masks.

They have been enjoying their daily swimming sessions. As it has been so hot and humid, swimming is an excellent way to cool off, and learn to become more confident and competent swimmers.

The school hall is beginning to look great. All the old flooring lino has been removed and the concrete floor has been prepared ready for the installation of carpet which will make the hall a more comfortable place to sit during bus assembly, and also for classes to utilise during the school day.

Kind regards,

Debbie Hayes

### Scholastic Book Club Orders

Order forms are going home this week for children / whanau to select books. Orders will close on the 8<sup>th</sup> April.

### Phone & Personal Details Update

Over the past couple of weeks, we have asked that you update your child's details, specifically their contact and emergency details for our school records.

This is a vital process, as it means we can get in contact with you at any time should we need to do so. If you haven't done so yet, please get in contact with the school office.

### Students of the Week

Well done to all these wonderful children who were our Students of the week:

Room 1: Abigail Hemi  
Room 2: Anahera Lawrence (Absent)  
Room 3: Cassie Sherman  
Room 4: Marshall McGregor  
Room 5: Montana Pawa  
Room 6: Harry Walmsley  
Room 7: Larry Boyed

### School Library:

The children and teachers are all back in the School Library. The library is a fabulous resource for the children and staff, not only for research, but also for choosing books to read at home and at school.
