**Week 7**

Hello,

One of the challenges of the pandemic has been that we have had to strictly restrict the number of adults coming to school.

This has happened and continues to happen because these restrictions maximise the possibility that we can keep Covid 19 'out of school' and that our children stay as safe as possible.

Additionally, this approach helps to keep our teachers and staff safe which means that they can continue to be at school, school stays as normal as it can be in these Covid 19 affected times, and that ultimately school can remain open.

We can all be grateful that our teachers and staff have been committed to following safe practices both in and out of school including by hunkering down a little and minimising their contacts before and after school and in the weekends where possible.

I am sure that you will join me in thanking them for this commitment to our children, our school, and our community.

Kind regards,  
Paul Barker.

### Reporting to Parents

Given the challenges that Covid brings we will not be holding parent/teacher meetings this term. Instead, we will be sending home a brief update at the end of the term. Hopefully, formal parent/teacher meetings will be able to take place late in Term 2.

### Students of the Week

Congratulations to the Students of the Week for Week 6 – Jemma, Korrah, Veronica, Tahlia, Tobias, Lucy, and Piper. Nice work guys!

### Headlice

Headlice/Nits are a fact of life at schools but also an annoying and sometimes expensive problem too. It would be appreciated if you could please check your children regularly and if you find any of these pests in your child's hair, treat your child promptly. Don't forget to wash bed clothes and linen in hot water too. Thanks for your help.

### End of Term

The last day of this term is Thursday the 14<sup>th</sup> of April (the day before Good Friday). School will close at 1pm that day.

*"Try to make at least one person happy every day. If you cannot do a kind deed, speak a kind word. If you cannot speak a kind word, think a kind thought. Count up, if you can, the treasure of happiness that you would dispense in a week, in a year, in a lifetime!" - Lawrence Lovasik.*
