**Term 2
 Week 2**

Hello,

This term's major focus amongst all of the core learning is the visual arts and everyone is working towards our 'Great Art Exhibition' later in the term with the opening night scheduled for the evening of the 29th of June with the exhibition running through to Wednesday the 6th of July.

Every child will have at least one of their works displayed in the exhibition and, as always, we anticipate that it will be spectacular!

In the past we have usually run a silent auction of items in conjunction with the exhibition to help pay for it. This year we are conscious that the businesses and people that have supported our school by donating items have faced difficult times during the pandemic and so we are reluctant to ask for donations at this time and will not be running an auction this year.

The positive news around that is that we have greater space available for the children's art and everyone will still have a chance to contribute, where they can, to the school as we will run a super raffle and a koha box for visitors during the event.

It will be a busy few weeks preparing for this event but we look forward to sharing the children's work and talents with you and to restarting our traditional events post, what we all hope, is the worst of the pandemic.

Kind regards,
 Paul Barker.

Attendance

Well done everyone, our attendance for last week was 92.76% with Room 7 achieving the excellent level of 98% attendance for the week. We don't know for sure but expect that this level of attendance would see us near the top of any attendance league table in the country right now. Great attendance leads to great learning – let's keep this up please because every day counts!

'Intelligence is not to make no mistakes, but quickly to see how to make them good.' - Bertolt Brecht.

Students of the Week

Congratulations to our first Students of the Week for Term 2 – Declan, Jarden, Mereana, Alexis, Harli, Alice and Chase.

Market Day

Our annual Market Day will be held in a few weeks. If you have anything that you would like to contribute for sale (no electronics, please) send it along or deliver it to school. All of the proceeds from Market Day go towards our Honours Board celebration at the end of the year. A great opportunity to clear out the clutter and support the children at the same time!

Dates for your diary

It's really nice to be able to list some dates for events later in the term.

- May 23 BOT Meeting
- June 2 Teacher Only Day – Parent Interviews.
- June 6 Queen's Birthday Holiday
- June 24 Matariki Holiday
- June 27 BOT Meeting
- June 29 Art Exhibition Opens
- July 1 Cross Country – Totara North
- July 6 Art Exhibition closes
- July 8 Term Ends 1pm
