**Term 2
Week 4**

Hello,

It has been a while since we have been able to run parent/teacher interviews but, happily, we are now in the position to hold these again. To make the job as easy as possible for everyone concerned we will have a Teachers Only/Parent Interview Day on Thursday the 2nd of June. School is closed that day apart from parent/teacher interviews.

An interview booking request form has been sent home this week and it would be appreciated if these could be completed and returned to schools as soon as possible so that we can organise and advise interview times. Interviews are available across the day from 9am to 5.30pm and are allocated in 15 minute blocks. If you have more than one child, we will do our best to ensure that interviews follow on from each other.

We are trying very hard to minimise the possibility that staff not only contract Covid 19 but also the many coughs and colds that accompany this time of the year. This is so that we can continue to keep school a safe and learning focussed place over the coming weeks free as much as possible from the disruption of teacher illness.

Accordingly, it would be appreciated if parents/caregivers could please support us by:

- Not attending if you are unwell.
- Wearing a mask for your interview (we will have spares available if required).
- Arriving at school just before your interview time and once parent interviews are concluded, heading home straight away.

We look forward to seeing you all again.

Paul Barker.

Attendance

Not quite so good attendance wise last week but overall we still sit over 90% for the term to date - thank you to everyone that has helped in this regard.

A gentle reminder please that children should only be absent from school if they are unwell or are attending tangi or the like. Trips shopping or to Auckland or Whangarei are not legitimate reasons for being absent from school and should be undertaken in the weekends or holidays please – every day is important.

Students of the Week

Congratulations to our Students of the Week for Week 3 – Mita, Kasey-J, Kahtanya, Christine, Mila, Lilly-Ray and Elizabeth – good work you guys!

Market Day

Thank you to everyone that has kindly donated items for our annual Market Day. Whilst Market Day is largely for the children, there will be some items that may interest adults and the Market day will be open to everyone. Adults attending must wear a mask please and if you are unwell please do not attend.

Market Day is scheduled for Thursday the 10th of June and further information will be in next weeks newsletter.

Keeping Ourselves Safe

Constable Rob Drummond is with us next week to run the 'Keeping Ourselves Safe' program across the school. The programme covers a wide range of things for all age groups including stranger danger, understanding the difference between appropriate and inappropriate touch, how to get help from someone that they trust when required and for the younger children where they live and how to get help from others if they need it. If you have any questions about this program, please get in touch with Mr Barker.

Dates for your diary
