

Important Special Newsletter

Hello everyone,

Winter illnesses are currently hitting our school, and absence rates are extremely high. We are also experiencing high levels of teacher and staff illness.

It is clear that we need a circuit breaker to allow everyone the opportunity to get well. Accordingly, we are going to hold a teacher only day this coming Thursday (23rd of June) and school will be closed to children on that day.

The hope is that everyone can simply hunker down and get better over the long Matariki holiday weekend ready for school to resume next Monday.

Our advice to everyone is to keep the children and yourselves warm and hydrated and to relax and rest over the Matariki break. If anyone in your household becomes very unwell then please seek medical advice as soon as practicable.

I appreciate that this is late notice and apologise for any inconvenience this may cause. Your understanding and support is appreciated.

Kind regards,

Paul Barker,
Principal,
Kaeo School.
