**Term 3
Week 1**

Hello,

Boards of Trustees play an important role in New Zealand schools. They represent their school community providing governance and direction for their schools.

It is the Boards vision for the school that the Principal and staff work towards and it has been clearly shown over many studies that the work of the school's Board of Trustees is a major factor in the progress, development and success of their school.

At our school we have a long history of having effective and focused Boards of Trustees. Currently Marco Van Den Broek is our Board Chairperson and is ably supported by Glenys Grace and Wiki Todd as community representatives, Stephanie Campbell as staff representative and myself as principal.

Nomination forms for the Board have been sent home and if you are interested in contributing to the school by being part of our school's Board then please do get your nomination in to the school office by the cut off date of the 17th of August.

If you would like any further information, please contact either Marco Van Den Broek, or myself. We would love to have you on board!

Kind regards,
Paul Barker
