

Kia ora From Room 6!

Each week Room 6 have a focus on a special letter of the week. This week our letter is the letter **F**. We have been talking and writing about the people who are most important to us; yes of course, are our **families** and our **friends**. Here is some of our writing.

Ella is my friend. I like Ella because she has been good. We played together. She played nicely. Then we saw a bird's nest. Some birds came to the nest. We watched the birds. Then we played a game. Ella is a very nice to me. By Rebekah

I live with my brothers, my sister, Papa, my nan, and my uncle. I like to play with my brothers Tobias and Issachar. We play Hide and Seek, and it is fun. I have a big family. I have a nice family. By Rayleen.

In oral Language we brainstormed all the things that we could think of that start with f, then we enjoyed making this word **find** for you. Can you find 12 words that start with f?

f	a	m	i	l	y	d	f	a	n	t	a	i	l	a	f	o	x	l
g	v	n	s	q	u	f	r	i	e	n	d	s	z	f	i	s	h	z
f	l	o	w	e	r	z	f	l	a	x	z	z	f	i	v	e	n	p
g	o	a	t	s	f	u	n	h	f	l	i	g	h	t	j	u	l	m
f	o	r	t	d	f	i	t	n	e	s	s	d	z	x	f	a	n	x

Floating and Sinking is our Science topic for the Term 3. We are learning to carry out **fair** tests, to look closely and record our **findings**. We are learning to look for patterns and to explain why some objects **float** and some sink. We will be investigating density, volume, and displacement. We will try to make sinking objects **float** and **floating** objects sink.

On **Fridays** we enjoy going to our Kiwi Can lessons. At Kiwi Can we learn about being respectful to others and our environment.

Thanks Kiwi Can for the **Fun** Activities!
