

Nga mihi nui ki a koutou katoa. Warm greetings to you all.

This term in Kiwi Can we have been working on ***Integrity***, under the three modules of:

Making Good Choices– *‘When we make good choices we learn to be, Honest Kiwis with integrity.’*

Being a Good Role Model – *‘Role models are trustworthy, honest and true. They are kind to others and they tell the truth.’*

Accountability - *‘We are honest, we are true, we take ownership for what we do.’*

Ask your child what has been their favourite activity in Kiwi Can this term and get them to explain how making good choices helps them at school and at home.
