Tena katoa,  
As weeks go this has, in all truth, not been one of the best. The death of Her Majesty The Queen has cast a pall over large parts of the world including of course here in Aotearoa. For many of us The Queen has always been there, a constant presence in a fast changing world. She will be missed for Her service and commitment, Her grace and dignity, Her interest in people and Her sense of fun. May she rest in peace.

Similarly, the passing of Ernette Hayes has been unwelcome news. In the history of Kaeo School Ernette's contribution would warrant many a mention. Our longest serving Office Administrator, Ernette retired a few years ago after over 30 years of service to the school.

Ernette's diligent and careful management of the school finances over many years is in no small measure the reason that we all enjoy a modern school environment and up to date resources today. Like The Queen, Ernette will be missed for her steadfast commitment to her work, her love and pride in her family, and her dignified and proper way. May Ernette too, Rest in Peace.

Covid 19

On Monday the Prime Minister announced that the vast majority of Covid 19 requirements and restrictions are no longer required. This is welcome news and for us and it means that parents/caregivers/visitors will no longer be required to wear a mask when entering school.

Thank you to everyone that has supported our school during the pandemic, for simply doing what was asked as we endeavoured to keep everyone as safe as possible – it is appreciated. Let's hope that the Covid 19 situation remains positive and that a return to restrictions will not be required in the future.
