Term 4
Week 1

Hello,

Well it's certainly great to be back at school for what promises to be another very busy term leading up to Christmas and the summer break. It is great to see the children so happy to return to school and that, whilst still wet, the warm weather is beginning again so that we can make the most of living and working in such a special place as Kaeo. Great too that we can look forward to a term that will include the many traditional events that add interest to our school year.

Below is a calendar showing these events so that you can be sure of not missing any of the things planned for between now and the end of the school year – lots to do, lots of learning, lots of fun!

Kind regards,
Paul Barker.
