**Term 4  
Week 2**

Hello,

This Friday is World Teachers Day a day when everyone across the world has the chance to acknowledge the contribution that teachers make in the lives of children and for their communities.

At our school we are blessed with fabulous, committed teachers all of whom work cleverly and tirelessly for the children in their care – the success of our school in terms of children's learning and happiness at school is in large part down to this work much of which is often unseen.

If you see one of our teachers, or a teacher that you know, tomorrow feel free to let them know that their work is appreciated.

Kind regards,  
Paul Barker.
