

News from Room 2

Room 2 have been enjoying swimming in our beautiful school pool again. We have been training and building our swimming fitness level, by continually swimming for a certain length of time. This changes each time we swim so we become fitter.

We have also thoroughly enjoyed having whaea Gina here with us from Sport Northland. We have become quite skilled at discus and shot put and are looking forward to 'Have-a-go' day in Week 7 along with all the other exciting events planned for the continuation of Term 4.
