

Nga mihi nui ki a koutou katoa. Warm greetings to you all.

This term in Kiwi Can we are working on **Respect**, under the three modules of:

Respect for our School– “We will respect our school, we will do it because we’re cool”

Respect for the Community – “Our community is for you and me, when we respect each other, it’s the place to be.”

Respect for the Environment - “Don't mean, Keep it clean, Reduce, Reuse, Recycle”

Ask your child what has been their favourite activity in Kiwi Can this term and get them to tell you how they can show respect to the school, community and environment.

Left: Room 7 having fun in Kiwi Can.

Below left: Our Drop for Youth skydive fundraising was held on 5th November and we managed to reach our target of \$10,000 to keep Kiwi Can in schools. Your lovely lunch lady, Karen, was one of our daring droppers on the day.

Below Right: We welcomed Frances to the Kiwi Can nest at the start of term 4. Frances is enjoying meeting all of the lovely Kaeo School students. Here she is at her first ever Cultural Festival. She was very disappointed that she didn't get to see the school perform due to the bad weather.
