

# NEWS FROM ROOM ONE.

Kia ora whanau. It is exciting to be back in the classroom!

A big welcome to Kaeo School to Rebecca Addis who has joined us this year, and welcome to Room One to all of those students that were in Room 2 or 3 last year.

We have been busy getting to know each other again after the break away, and we re learning the class routines. We have also started investigating how much sports gear is being left out in the playground as part of our learning about statistics. The photo below shows you just how much was out there today. Hopefully the children will come up with a plan at the end of their investigation to combat this.

We have been busy planning a Term One Camp. Please keep an eye out next week for the permission slips and camp information. These need to be returned to school as soon as possible please.
