

Kia ora from Room 6!

Room 6 have had a great start to the year. We are now familiar with a wide range of our classroom routines. It is great that our attendance has been very good this term as it really does make a difference to how the children settle and learn at school. Here we all are. In Week 6 we were awarded 4 class certificates for our super effort. I was very proud of the children.

Let's keep it up!

We have been making the most of the autumn weather and working in the garden. First we prepared our garden by topping up the soil and putting in some compost. We decided that this year we want a colourful garden with lots of flowers and some vegetables. Then we planted out some seedlings. We have lots of willing helpers to care for and water the plants.
