Term 2  
Week 1

Hello everyone,

A very warm welcome back to children and whanau to Term 2. Teachers have been preparing exciting learning experiences for Term 2 based around the Curriculum area of Science – The Material World.

During this term, the whole school will be involved in STEM (Science, technology, engineering and maths) activities. Children have been placed in multi-age level groups and will visit one classroom a week to take part in different STEM activities focusing on Science and the Material World.

During the break, we have had new carpets fitted in the Board Room, the two teacher aide rooms, and the lundia/photocopier room. This completes the carpeting and flooring of the entire senior block. What a huge difference it makes to have this work completed.

Also, to complete the renovations to the senior toilet blocks which took place during the summer break, there are two new doors in the hallway, again, it is great to see these projects finished and looking amazing.

Kind Regards,  
Debbie Hayes.

### ANZAC Parade:

The ANZAC parade was extremely well attended this year. Tai-Jon and Elizabeth represented Kaeo School and placed flowers during the ceremony.

### Students of the Week

Congratulations to Week 10, Term 1's Students of the week. Rm1 Denzel, Rm2 Eva, Rm3 Skyler, Rm4 Lily Ray, Rm6 Murphy-Rose, Rm7 Serenity.

Rebecca and Eva go to Room 7 every morning and help with reading – Well done girls, you are great volunteers.
