

Kia ora from Room 3!

It is New Zealand sign language week! We have been learning how to sign our name, the alphabet items and animals from Whaea Debbie who is a teacher to the deaf. In this photo the children are signing their favourite sign they have learnt so far!

Here are what the front row are signing!

Levi: L, Roman: V, Jah-naya: G, Georgia: G, Kaio: x

We had a very successful S.T.E.M lesson last Friday! Students learnt about the physical change that cream goes through to make butter. They then got to enjoy their mahi with some bread! Ka pai!
