

Room 2 – Newsletter

Week 2 – Term 2

During Term 1, Room 2 grew sunflowers in our school garden. We watched as they bloomed, slowly died off and how the seeds were forming in the centre of the flower head.

We read a book called Camille and the Sunflowers. This book explains how Van Gogh came to paint his very famous painting. This book gave us motivation for our own sunflower art. We used blended pastels to complete our artworks.

We each wrote our names on the flower pot, just like Van Gogh.
