Term 2
Week 6

Hello everyone,

Thanks everyone for your support as we held our teacher only day on Monday. We know that teacher only days can be an inconvenience and so we try hard to minimise the number of these but sometimes they are necessary.

In this case all staff were undertaking professional development based around William Glasser's Choice Theory and the facilitators travelled from the Bay of Plenty (hard but not too hard) and from Australia (a bit harder!). We simply had to work around their availability and travel requirements.

The day was very worthwhile and will, I am sure, contribute to the ongoing development and work in our school.

Once again, many thanks.

Kind regards,
Paul Barker.

Maya Angelou.

Students of the Week

Congratulations to Week 5's Student's of the Week – Lauaki, Zayleah, Marshall, Braxton, Tahlia, Alice and Bertie – terrific learning!

School Lunches

For those families not taking advantage of free and healthy school lunches it is important that the food provided will sustain your child throughout a busy school day. Bags of chips, sugar filled bars and the like should be avoided if possible and at least be kept to a rare treat please.

Health Survey

Health Surveys have been sent home seeking comment and feedback about what our school community thinks and feels about the Health Curriculum at our school. It would be appreciated, if you haven't already, if you could complete and return the survey to school.

Dates for your Diary

June 5	Kings Birthday
June 16	Cross Country Totara North
June 22	Cross Country Saver Day
June 23	Football Fun Day
June 30	Term Ends, 1pm.
