

Room 3 Update

Kia ora e te whānau,

It's great to be back in Room 3! We have gotten off to a fantastic start. Here's a snapshot of some of our quality work.

Art

During art we have been looking at tones and blending. We have used this knowledge to create some wonderful self-portraits.

Writing

Writing has been focused around creating letters as we have pen pals this Term! We are very excited to be writing to the children of Saint John's Hill School Whanganui .
