**Term 1
Week 5**

Hello everyone,

Things are moving along building wise with the junior block work now moving quickly and attention about to move to the interior of the classrooms. All four are to get new carpet and wall coverings, new heat pumps and in the new rooms cabinets and some furnishings.

The deck will be extended across the whole block and a new deck covering installed. A path will be laid from the junior block to the pool and then the area around the block restored. Finally, the temporary road across the back field will be lifted and that area restored and of course while all that is happening the new classrooms will be painted and the roofing completed.

At the same time the installation of the new junior playground continues and also the shade sails used over the now removed junior playground used on the new one.

Whilst we are looking forward to this work being completed and the new, modern facilities that this provides what we are most looking forward to is getting school back to normal, having some space to teach and learn and access to the back field again will be nice. Almost there!

Nga mihi,
Paul Barker.

Head Lice

Headlice (nits) are a fact of life in schools and the warm weather seems to be helping them a bit this year. Please take a look at your child from time to time and if you spot any headlice please treat them promptly.

Dates to Remember

6/7 March	Parent Interviews
13 March	Northland cricket visit
21 March	Whangaroa Primary Swimming Sports
25 March	BOT Meeting
29 March	Good Friday

Students of the Week

Congratulations to Week 4's Students of the Week – Hohepa, Lilly, Serenity, Keesha and Sid. Nice work guys!

Kaeo Rugby Sports Club

Two muster days have been announced for the Kaeo Rugby Sports Club. Anyone interested in their child playing either rugby or netball this year should attend at least one of either Saturday the 9th or Saturday the 16th of March between 10am and 12pm. For more information contact: kaeorugbyclubsecretary@gmail.com

Attendance

It's been a good start to the year attendance wise but we are noticing that most absences are occurring on Mondays. Its tempting to get a bit of 'Mondayitis' especially if you have been away for the weekend but please don't make this a habit. Mondays are often a key day in setting up learning for the rest of the week and children that miss Monday can be behind the 'eight ball' for the rest of the learning week – thank you.

"Decisions are easy when values are clear." - Roy Disney.
