Term 1
Week 5

Hello everyone,
Next Thursday is one of the 'big days of the year' as we host the Whangaroa Primary Schools Swimming Sports. It is always a pleasure to be with our friends from Totara North School, Hato Hohepa Te Kamura (Waitaruke) and Matauri Bay School for what is always an action packed and fun filled day.

Swimming takes place in two places. For the most able swimmers, particularly those in the senior school, the community pool at Whangaroa College is the venue and for those less confident swimmers and those in the junior school the action is in our school pool.

Whilst the swimming is competitive for the older children the junior event is designed to be an opportunity for children to show their skills and growing confidence in the water rather than to swim faster than their peers. Notwithstanding this, viewing at both events is fun and of course everyone is most welcome to attend to cheer on the children and our school. Swimming begins at 10am at both venues.

School lunches are not provided on Swimming Sports Day and so children can either bring their own lunch or even better bring some money to buy a sausage sizzle, soft drink, or juicies that will be for sale on the day.

We look forward to you joining us on what promises to be a happy, fun filled day.

Kind regards,
Paul Barker.

Head Lice

Headlice (nits) are a fact of life in schools and the warm weather seems to be helping them a bit this year. Please take a look at your child from time to time and if you spot any headlice please treat them promptly.

Students of the Week
